- A map of a region in Anglova, outlined by a blue line. The map shows various geographical features like rivers and lakes. Overlaid on the map are several patrol routes represented by thick lines. A legend in the top right corner identifies the line types: a solid blue line for the region boundary, a dashed yellow line for the Battalion Commander's route, a dashed brown line for the Deputy Battalion Commander's route, and a dashed grey line for the Head Quarter's route. The routes are complex and interconnected, covering a large area within the blue boundary.
